

ACME Corp Support Guidelines & Store Policies

1. Return and Refund Policy

Customers can request a refund for any purchase within 30 days of the transaction date. To be eligible for a refund, items must be in their original packaging, unused, and in the same condition as received. Proof of purchase (such as an order reference number or receipt) is required. Refunds will be processed back to the original payment method within 5-10 business days.

2. Shipping & Delivery

We ship domestic orders within 24 to 48 hours of purchase. Standard shipping takes 3-5 business days to arrive, while express shipping takes 1-2 business days. International shipping is available and typically takes 7-14 business days depending on customs clearance. Shipping costs are calculated at checkout based on package weight and destination.

3. Working Hours & Customer Care

Our human support agents are online Monday to Friday, from 9:00 AM to 6:00 PM EST. If you submit an inquiry outside of these hours, our AI assistant will attempt to answer using the Knowledge Base or document repositories, or log your request for the human agents to review first thing on the next business day.
